Thank you! check your email inbox to confirm. Ups! notifications are disabled. Every year, designer lovers wait with breath content to find out which color will select pantone as a color of the year. After months of other color predictions of the year constantly, color experts in pantone always wait until early December to choose from. And this year, they go with a classic. the color of the official year 2020 of pantone is pantone 19-4052 blue classic blue. the shadow feels decisively accessible and particularly suitable for interior design. It is not as dark as navy blue or as bright as real blue, but it feels like a true classic blue that pantone describes as "a

timeless and durable elegant tone of the pantone and, like all the other 2020 colors of the year, it was inspired by the opportunities that a new decade can bring, it is also pantone's, "suggerir of the sky at dusk, the reassuring qualities of the classic blue pantone 19-4052, pantone 19-4052 highlight our desire for a reliable and stable base on which to build as we cross the threshold in a new era", explains the brand in press release. suggestive of the sky at dusk, the reassuring qualities of the classic blue pantone 19-4052, pantone 19-4052 highlight our desire for a reliable and stable base on which to build as we cross the threshold in a new era. in a statement, leatrice eiseman, executive director of the pantone color institute, expands in the inspiration behind the state of classic blue as color 2020 of the year. "we are living in a moment that requires trust and faith. it is this kind of constancy andThe one that expresses Pantone 19-4052 Blue Classic Blue, a syso and reliable blue tone that we can always trust", she says. J I'm gonna go J Áta gnitekraM roloc fo rotceriD eht ,meddaW euS .evitstop yltnetsisnoc neeb sah esnopser llarewo ehtT ?euh eht a chiefÁ Arole in the world in which we live.Á They can influence thinking, alter actions and trigger reactions. Hence, choosing the right color with the right shade and executing it appropriately in print media is crucial. For this reason, Pantone brings to you the Pantone Formula Guide. Á ÁGrab one of the best-selling color formula guides in the world of creativity. Pantone Formula Guide is the best Pantone color chart and a Á Amust-have tool for designers and professionals involved in the business of color consulting and color intelligence. It is the enhanced and the latest version of the old edition GP1601N. You can also check our best-sellingÁ ÁFashion, Home Interiors Color Guide at the cheapest rate. Readers can get inspired from the wide-range of 1,867 colours and fill the designs with the right colours. The colour palette comprises primary and accent colors which work smoothly with each other and can be used to create new brand colors or illustrations. Buyers are offered more than the standard CMYK and RGB colors, hence it is one of the most preferred color-palette book. Moreover, all the colours are printed on a substrate paper stock which is well-suited for printing purpose. Each color code in the guide comes with ink formulations as well as coordinating numbers, which helps to achieve the most accurate colour on printed materials. This is why it is the most trusted book on spot-color printing and branding. The formula guide is used in various industries including paper printing, chemical testing, plastics, and pharmaceuticals. All products are authentic and are supported by a network of PANTONE Licensees across the globe.Á ÁYou can get pantone formula guide online for free with us.
